From the bottom of my heart and the deepest feeling of my gratitude, I say thank you so much for counting me worthy amidst your 2006 scholarship recipients. What can I say than to let you know how happy and grateful I'm in receiving the scholarship. You gave me the scholarship not because I'm the best student in the community, but just because of your caring and supporting objectives in assisting students in getting to their dreamed goals.

With the soaring cost of college attendance, having a scholarship like that of Miramar Pembroke Pines Regional Chamber of Commerce is like relieving one of that cumbersome burden. Your scholarship is a motivator, an incentive, and moral force that incites and propels me in going for and getting my bachelor degree without the worry of how to get the funds. Your love in helping students getting to college by providing them funds can never be overemphasized neither can it be unnoted.

Once again I say thank you to the whole administration and every staff that has contributed in one way or the other in making this happen. It will be my pleasure to see Miramar Pembroke Pines Regional Chamber of Commerce continue with this scholarship in helping other kids in attaining their self-actualization goals.
